GMCV 2030 - a Global Manufacturing Conference from CODISSIA for the Benefit & Upliftment of the SMBs.

Team CODISSIA (India's Leading & Largest Small Scale Industry Association) envisioned a Global Manufacturing Conference during INTEC 2019 exposition, which will create a knowledge sharing platform and lay a future roadmap for the CEO's of the Indian Manufacturing Industry. Texas Ventures, a Global Research and Consulting Firm with its wide experience in Specialized Sector Research and CEO Conferences, joined hands with INTEC 2019 & CODISSIA to organize "Global Manufacturing Cluster Vision 2030" - "GMCV 2030" during INTEC 2019.

" FOSTERING INNOVATION " will be the theme for this Noble

9th Edition of GMCV 2030 Conference. Leading Industry Thought Leaders will be the Speakers during this Conference. There will be also a forum to Deliberate (Panel Discussion) on the Current Trends & Issues related to SME Manufacturing. Leading Industry Luminaries, CEOs of the SMB Manufacturing Companies, Industrial Association Heads, Government Industrial Body Representatives & Policy Makers will be Part of the Delegates.
