10th Edition - Global Manufacturing Cluster Vision 2030
- Positioning Manufacturers for the Economic Upturn
Fostering Innovation

Global Manufacturing Cluster Vision 2030 - GMCV 2030 - Conference was an effort to bring out the Global Leaders to discuss diverse issues in manufacturing amidst South India's Largest Manufacturing Exposition - INTEC 2022, organised by the Country's foremost Entrepreneur Association CODISSIA, which had strived in making this region one of the most successful industrial belt. INTEC 2022 had aligned best in class Speakers and brought Leading Entrepreneurs as delegates in association with its Knowledge & Research Partner "TEXAS VENTURES". Please log on to www.texasventures.us/india/gmcv2030

INTEC 2022

The overwhelming response to this fair from both the participants as well as visitors has brought about a considerable change in the industrial infrastructure of this region.

The host city Coimbatore is also highly renowned across the globe for the entrepreneurial spirit and the aptitude to come out with solutions even in the most challenging scenarios. The attitude of adapting technological up gradations and innovations in the industry, with an appetite of enterprise in its ethnicity, has made Coimbatore a truly global outsourcing hub.

As usual, engineering companies from all over India and abroad had showcased the latest technology to the enterprising industrialists of this region. 60 MSME Units participated & benefitted through support from NSIC and SIDBI.

The array of powerful present day products wielded tremendous potential for growth. There was participation from countries like China, Germany, Japan, Denmark, Netherlands, South Korea, Spain, Thailand, United Kingdom, United States of America, Singapore, Switzerland and Taiwan, who showcased the latest technology in their respective fields.

GMCV 2030 - CEO's Conclave, which had the presence of top line CEOs from the manufacturing sector had a panel discussion on various relevant topics to the benefit of the industry. This was an enlightening and enriching experience for the industrialists and other entrepreneurs who attended this conclave.
